Balloon Flights over Orlando

Fly over beautiful landscapes and lakes where you can soak in the morning sunrise for the ultimate in exhilarating experiences.

Where do the flights take place?

The flights are in the Disney area. They can take place anywhere from Disney to Highway 192 and Highway 27. This depends on wind direction.

Where and when the flight starts?

You'll meet your aviator approximately one hour before sunrise, usually between 5:30am to 6:30am depending on the time of year. You'll meet in a Perkin's restaurant parking lot at exit 68 (Lake Buena Vista) off Interstate 4. The parking lot is at the Northwest corner of the intersection beside the Day's Inn. Free hotel pick-up is also available.

How long is the flight and what's included?

Most flights are about an hour. However they can be as short as 45 minutes or as long and one hour and 45 minutes. It just depends on weather conditions and landing sites.

Once we have landed and the balloons are stored away we prepare for our Traditional Champagne Celebration Picnic. The picnic includes a variety of fresh fruits, cheeses & crackers, pastries, chips & salsa and, of course, champagne and fresh Florida orange juice. Non-alcoholic beverages are also available.

Each passenger is presented with a Flight of Ascension certificate and a souvenir champagne glass with a hot air balloon etched in it.

What should I wear?

Dress like you were going on a hike in the woods.

No opened toed shoes.

It is not any cooler in the balloon than it is on the ground so we suggest dressing for that particular day's weather.

What can I bring along?

Feel free to bring along a camera or camcorder.

How high do we go?

We can go anywhere from treetops to several thousand feet. It depends on wind speed and direction.

How many people are in the balloon?

Usually four passengers fly per balloon, however we have flown with a maximum of five or as few as two.

Will I be affected if I suffer from motion sickness?

No. As the balloon moves with the wind, there is none of this sensation, IE is possible to set a glass of water on a table in a balloon and not spill a drop.

Gatorland Tickets

For over half a century, Gatorland has been creating fond holiday memories for millions of visitors who have entered through its gaping gator mouth entrance. Located between Orlando and Kissimmee on the South Orange Blossom Trail, Gatorland is one of Central Florida's oldest attractions, and provides a unique and natural alternative to the larger theme parks of today. Gatorland® offers a number of shows including the unique alligator wrestling show done "Florida Cracker" style in a shaded 800 seat stadium. Gator wranglers catch a 6 to 8 foot alligator by hand and climb onto the snapping animal's back to point out survival features to the audience. After doing stunts that only a few are brave (or foolish) enough to try, the alligator is rolled over and put to sleep...only to be awakened by a tickle!

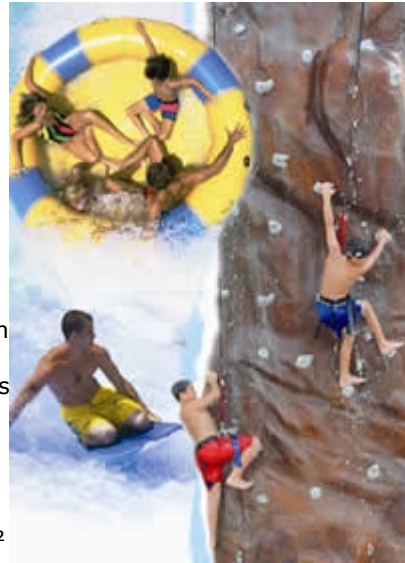

You never know what kind of animal you'll be encountering next at the Up-close Animal Encounters Show. You'll get to meet fascinating creatures from around the globe as well as Florida's native wildlife - including some of the most dangerous snakes alive.

Gatorland® is open daily from 9:00 AM to 6:00 PM for your whole family's fun and enjoyment, rain or shine.
